MUSICIANS TO DANCE TONIGHT AT AIRDOME

Tonight at the Airdome the musicians will give a grand Liberty loan ball. The dance will be a yama yama, and a most enjoyable time is assured all who attend. The orchestra will consist of fifteen pieces, which will discourse the latest dance music. It will be a jittery dance, and the proceeds will be devoted to the purchase of Liberty loan bonds. A cordial invitation is extended to the public to attend.

TREAT APPOINTED

(By Associated Press.) SAN FRANCISCO, April 24.—Major-General Charles Treat was appointed today commander of the western department to succeed Major-General Murray who is ordered relieved, according to advices from the war department.

NEWHOUSE IMPRESSED WITH ORE DISCLOSURES IN CAMP OF TYBO

Of the opinion that the Tybo mining district is destined to become one of the large producers of silver and lead ores in the near future judged by the development work that has been done on the property of the Louisiana Consolidated Mining company and that with greater depth the ore now being mined will improve in value, Samuel Newhouse of Salt Lake City, Utah, returned from Tybo, located about fifty-five miles from Tonopah, after four days examination, yesterday afternoon at 5:30 o'clock. He departed this morning for San Francisco and expects to return in about two weeks.

Discussing his impressions of the new district with a reporter of the Bonanza, Mr. Newhouse said: "I was agreeably impressed with the work that has been done to date on the property of the Louisiana Consolidated Mining company. The ore-bearing ledge is in the limestone and the ledge proper has been demonstrated for a distance of approximately 4000 feet along its strike. It is intersected at various points by cross fissures at which points there is every reason to believe larger ore bodies will be developed as the work of opening up the property is carried forward. One of these cross fissures is at least sixteen feet in width and considerable work has been done on it. It contains much cube galena. One very satisfying feature of the ore now being mined is that it carries two ounces of silver for each per cent of lead present. In value it runs from \$125 to \$150 per ton.

"You must understand that the property of the Louisiana is not in any sense a prospect. In the early days when the company mined the oxidized ores the property produced approximately \$5,000,000 down to the third level. A depth of 500 feet is now showing very good ore and I was gratified to learn that the values grow stronger as greater depth is attained. The formation and the vein structure indicates that we may expect large and permanent ore deposits as greater depth is attained.

WANT ALL BUSINESS HOUSES TO CLOSE

MOVEMENT ON FOOT IN TONOPAH TO MAKE LIBERTY DAY A HUGE SUCCESS

A definite movement has been started in Tonopah to have all business houses closed on Friday, April 26 in answer to the president's proclamation that that day is to be set apart as Liberty day and a national holiday and the request that all state governors make it likewise a state holiday. Governor Emmet D. Boyle has issued a proclamation making the day a state holiday.

The opinion is being expressed by numerous residents of Tonopah that if there should be no division of thought along this line. In the words of one prominent man, "if we are going to get behind the president in this war, let's get behind him." All county offices will be closed on that day. All banks will also be closed. All butchers shops will be closed. All courts will likewise be closed. It is to be hoped that all business establishments of every nature will likewise close and that the day will be characterized by a unified effort to help roll up a much larger subscription for the Liberty bond.

NEV. FIRST NATIONAL HAS NEW DIRECTOR

At a meeting of the directors of the Nevada First National Bank of Tonopah, held this morning, Senator T. J. Bell of Reese river, was elected a director of that institution. T. J. Bell, better known as "Tom" Bell, is a pioneer of Nye county and has been engaged in the stockraising and mining business since the early seventies, and is known by every old-timer in the state for his honesty and integrity. Mr. Bell is rated as one of the largest individual stock-raisers in Nye county, and has one of the finest ranches on Reese river. His being made a director of the Nevada First National bank will add considerable strength to that institution goes without saying.

FORM TRANSPORT SERVICE

(By Associated Press.) WASHINGTON, April 24.—The war department created today the motor transport service to supplant the motor division in the quarter-master corps. It will consolidate the procurement and operation of all army motor vehicles except tanks, caterpillars and artillery tractors.

With that idea in view the development work is being pushed ahead rapidly.

"The first unit of the new mill has been installed and it is expected that it will be turning out concentrates within the next ten days. The metallurgical problem is not a complex one. Other units will be added to the mill from time to time.

"There are some large stopes in the mine, one that shows ore of a good milling grade for a width of forty feet. It also contains about three feet of very good shipping ore. With a considerable tonnage of ore already in sight, with every geological feature pointing to large and permanent ore deposits, with the metallurgical problem solved, with development work being pushed rapidly ahead and with a stable market for silver and a heavy demand for lead, the outlook for the Louisiana Consolidated Mining company is bright indeed."

Trucks were today started from Tybo carrying the high grade ore that is being shipped.

Mr. Newhouse was agreeably impressed with the plan of development carried out up to the time of his visit under the supervision of Walter Trent, Jr. He was confident that the camp of Tybo is about to enter upon another period of prosperity much greater than it enjoyed in its boom days. That this means much to Tonopah is the opinion expressed by other mining men conversant with the district.

Mr. Newhouse enjoys the enviable reputation among mining men of having identified himself with many abandoned properties in the past which under his management became successful producers. He has specialized along that particular line.

Although Mr. Newhouse did not care to say so it is understood that he will be added to the directorate of the company in the near future. He is known as one of the leading mining operators in the west and has had many years of experience, having been identified with some of the most prominent mining ventures in Utah and Colorado.

FIND OWEN WILLIAMS DEAD IN HIS HOME

Last evening Owen Williams, who had been watchman at the Montana mine and mill for several years, did not report for duty, and owing to the fact that when he went off shift at 7 o'clock in the morning he complained of stomach trouble, a messenger was sent to his residence on Blougher avenue to ascertain what was the trouble. Upon opening the door he found Mr. Williams disrobed and lying on his face dead. It is thought that death had ensued some eight hours previous, shortly after retiring in the morning. Heart failure is supposed to be the cause of death. The deceased had resided in Tonopah for the past nine years, coming here from Grass Valley, Cal., and was well and favorably known. He is survived by two daughters, one of whom will arrive here tomorrow morning to take charge of the remains. Funeral arrangements will be announced later.

ELKS OFFICIATE AT FLETCHER FUNERAL

The funeral of Horace Fletcher, the first broker in Tonopah, and late tiler of the Elks, took place from the Elks home yesterday afternoon at 4:30, the ritualistic services of the Elks being used. A large gathering of brothers of the order and old time friends followed the remains to their last resting place, in the Elks' plot of the local cemetery. The pallbearers were E. W. O'Connell, James Pike, William Marks, James J. Haffner of Tonopah and Philip Meyer and James D. Stewart of Millett.

SIGNS SILVER BILL

WASHINGTON, D. C.—The president yesterday afternoon signed the Pittman silver bill.

MOTONO RESIGNS

(By Associated Press.) LONDON, April 24.—The Japanese foreign minister, Motono, has resigned, according to a Tokyo dispatch. He will be succeeded by Baron Goto, a member of the national commission appointed last year for discussion of Japan's foreign policy.

FIRE DOES DAMAGE

(By Associated Press.) PASADENA, April 24.—Fire here today made twenty-eight families homeless and burned to death fourteen horses, destroyed twenty tons of hay, and much equipment at a Chinese-American vegetable company settlement near here.

RED CROSS HAS GAUZE TO SELL

IS NOT GOOD ENOUGH FOR SURGICAL DRESSINGS BUT GOOD FOR CLEANING

Do you need any gauze for cleaning your car, wiping machinery or general household use? The Red Cross has a large quantity for sale at about half the regular price. It is good gauze but not quite good enough for surgical dressings, which require a very high grade. Telephone your order to Red Cross headquarters.

Buttons suitable for pajamas are wanted by the Red Cross, and a request is made that you go through your button bag and give what you can spare to the soldiers. There is a scarcity of buttons just now and they cannot be purchased in the open market. Either smoked or plain pearl will do. Even if you have only a few bring them in as every one will help.

The Red Cross also needs the services of a mechanic that understands how to keep sewing machines in repair. They need one immediately.

Tonight and tomorrow night the evening classes are held at headquarters. Don't forget to come. A great deal of good work is being done on these nights.

Yesterday Mrs. Lawrence and Mrs. Herd of the Manhattan Red Cross, visited the Tonopah work-rooms and inspected the various departments. Arrangements were made for starting a surgical dressings department in Manhattan and instructors will go from here next Wednesday to direct the starting of the work. The importance of keeping up the output of surgical dressings is being emphasized more and more and as is always the case, the Manhattan women are more than eager to do their part.

Mrs. Berry and Mrs. Gibson of the Round Mountain auxiliary, spent Tuesday in Tonopah and during their stay they visited Red Cross headquarters. They are enthusiastic over the work being done in Round Mountain and expect soon to add other departments to their present activities.

PARADE SCHEDULED TO START FRIDAY

ELEVEN MEN TO JOIN COLORS OF UNCLE SAM; FLAG CEREMONIES OF SCOUTS

Tonopah is to send thirteen men on Friday morning to join the colors of Uncle Sam. Eleven will be escorted to the depot by the military band and a parade in which will be the Tonopah Boy Scouts, the Uniform Rank of the Knights of Pythias, the Pythian Sisters, the Women's Relief Corps, the Elks' Lodge and the Tonopah Girl Scouts. If there is no hitch in the present plans it will be one of the largest parades and one of the most enthusiastic that has ever attended any such occasion in Tonopah.

Prior to the formation of the parade the Boy Scouts will officiate at the raising of their flag which has been presented to them by the Uniform Rank of the local lodge of the K. of P. The presentation speech will be delivered by C. J. Bevis and the flag will be accepted on behalf of the Scouts by Color Sergeant Thomas Fitzgerald. The flag will be raised promptly at 8 o'clock. Practically all those that will later form in the parade will be present at the ceremonies at the intersection of Main street and Bryan avenue. The public is asked to be present en masse.

The Butler flag will be raised over the Butler theater by the Boy Scouts Friday night at 7:15 o'clock. Before the flag is raised, however, the Scouts will stand at retreat. Preparations for the raising of the Boy Scout flag were started today.

The following local men and transferred men have been called:

Local—Jesse Clark, John Edmund Lydon, August Lazarini, Wendell Theodore Jones, Tomo Roganovich, Frank Hogan, James Kerns and Joan Greenleaf.

Transferred—Evan Gad Davis, Las Vegas, Nev.; Remy Van Dyck, Omaha, Neb.; J. P. Kontash, Gebo, Wyo.; William Charles Martin, Phoenix, Ariz.; Miles Myatovich, Gebo, Wyo.; and Thomas V. Hackett, San Luis Obispo, Cal.

CASUALTY LIST

(By Associated Press.) WASHINGTON, April 24.—The casualty list today contained the names of six killed in action, three died from wounds, eleven from disease, ten were severely injured and thirteen were slightly wounded.

BOMBARD LINES

(By Associated Press.) PARIS, April 24.—German artillery has been conducting an extremely heavy bombardment between the Somme and the Avere region, Hanged-on-Santerre and Villers Bretonneux.

PERSONAL

A. G. HARBAUGH, the mining man, left today for Mina on important business.

GEORGE POTTS, the Monitor valley rancher, is in Tonopah on a business mission.

JAMES DOHERTY, who has been in San Francisco for the past month, returned this morning.

MRS. E. E. SEYLER, Mrs. Lawrence and Jack Humphrey autoed a from Manhattan yesterday.

F. B. STEWART, electrician for the Tonopah Mining company, left today for Seattle for a month's pleasure trip.

JOE JOSEPH, superintendent of the MacNamara Mining company, was an arrival from the coast this morning.

J. D. STEWART, mine partner of the late Horace Fletcher, arrived from Millett yesterday to attend the funeral of his late associate.

SAM NEWHOUSE, the Utah mining magnate, was a passenger this morning for San Francisco. He expects to return to Tonopah in ten days.

CHARLES HUBER, former deputy state mine inspector, will return from California in a few days and again take up for the time being the office which he vacated.

MRS. GEORGE KEOUGH, Mrs. K. Phillips and Charles Keough, who have been visiting relatives in Goldfield, returned by auto this afternoon to their home at Reese river.

MR. AND MRS. S. H. BRADY arrived by auto from Jefferson last evening and continued on to Hornsilver this morning, where Mr. Brady is manager of the Silvermines corporation.

M. B. CUTLER, president of the Tonopah and Goldfield railroad, and W. D. Forster, general agent for the same company, will arrive from the north on tomorrow morning's train on a tour of inspection of the company's road.

R. VILES, deputy state mine inspector for southern Nevada, has resigned this office and has accepted the superintendency of the Tonopah Kawich Mining and Milling company at Bellehelen. He left this morning to assume his duties.

DR. M. R. WARD, president of the Tonopah Extension Mining company, who has been in Tonopah since Saturday inspecting the company's holdings, left this morning for San Francisco. He was accompanied by G. G. O'Brien, or Pittsburgh, and Dexter Fairbanks of Chicago, all three gentlemen being found in their praise of the new developments recently made in the Tonopah mines, and predict a great future prosperity for Tonopah.

GERMAN BREWERS IN BAD

(By Associated Press.) KANSAS CITY, Mo., April 24.—Unless convinced that the brewers who manufacture the beverage are loyal American citizens, he will in future vote to deny licenses to all Kansas City saloons which sell Milwaukee-made beer, John R. Ranson, police commissioner, announced here yesterday.

AMUSEMENTS

WORLD-WIDE FAVORITE AT THE BUTLER

Mabel Normand, the celebrated Goldwyn star, will be the center of attraction at the Butler this evening. Mabel was booked to appear here about a month ago, but owing to a snow-slide above Truckee, Mabel was detained so long that she could not make train connections, and everyone was disappointed, because it is her first appearance to a Butler audience since the old days when she appeared with the renowned Charlie Chaplin. Miss Normand in "The Floor Below," her second Goldwyn production, is presented in a character unlike any hitherto essayed by her. Nor is the production itself similar to any with which she has been identified in the past. It is a tale of newspaper life combining laughter and thrills, and her role is that of a "copy girl," a sort of journalistic ne'er-do-well, whose sudden, brilliant "beat" covers her paper and herself with glory. A peculiarity of Miss Normand is that she will not wear gloves in real life, and won't have them on the screen. Go back as far as you will in the list of photoplays that have made the Goldwyn Girl an international favorite, and never will you find her in a "kid glove" part. Yet Miss Normand by no means neglects the niceties of apparel. She is always turned out to perfection when she arrives at the studio in the morning, and looks the same when she leaves it in the evening. Her role calls for gloves—see how she side-steps it. In addition to the feature, the Hearst-Pathe News, with all the notable events, will be shown. Tomorrow Mrs. Petrova, in "Exile," and Paramount-Bray Cartoon comedy.

Remember, Saturday, "The Kaiser." There will be an extra matinee given at 12:30, another at 2:30, to accommodate the large crowd, and everyone who can find it convenient, is urged to come to one of the matinees, to relieve the big crowd in the evening, as the picture could be secured for one day only.
